

RUDOLF STEINER LIBRARY

GIFT IN KIND ACKNOWLEDGMENT AND RECEIPT

The Rudolf Steiner Library is grateful for the generosity of all donors who contribute books to expand the current collection and replace older books with newer editions. The Rudolf Steiner Library adds materials which support our mission; **they must be related to anthroposophy, and in like-new or very good condition.** Items will not be accepted if they are moldy, musty-smelling, overly worn, water-damaged, or have notes/underlining in pen. Exceptions may be made for historic material that might be of interest for the archive.

Items not needed by the Rudolf Steiner Library may be disposed of through exchange, donation or other means. We are passionate about helping to find new homes for books that the library doesn't need and do our best to pass on books to other anthroposophic initiatives to help them build up their libraries. To this end, we have partnered with the Anthroposophic Prison Outreach (APO) and Pitts Theology Library at Emory University in Atlanta. We also organize book sales to benefit the library.
